CELPIA Cabinet Module

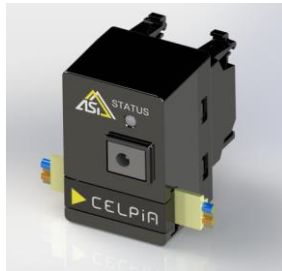

ASi-modules for selector switch, key switch, pushbutton, and pilot light. One module fits all type of switches, illuminated or non-illuminated and pilot lamps. The module is installed instead of the contact block(s) or lamp block fitted on the back of the switch, push button or lamp.

All modules are delivered with two integrated switches and one LED lamp with six selectable colors, Red, Green, Yellow, Amber, Blue and White that can be lit with different light effects.
